There were no consent action items.

Abandonment and Discontinuance of a Portion of the Old York Road Right-of-Way. (Christal Ness)

Christal Ness, Development Services Supervisor, presented the abandonment and discontinuance of a portion of the Old York Road right-of-way. This item was noticed for the April 7, 2020 meeting, but because of the current COVID-19 directive this is being postponed to be re-noticed for a later date.

No public comment was received.

A motion was made by Commissioner Hunthausen to table the item to a future date to be determined by the applicant and Planning. The motion was seconded by Commissioner McCormick. The motion passed on a 3-0 vote.

Preliminary Amended Plat Approval of the First Amendment of Heron Creek Subdivision (Phases 1, 2, and 3), SUBD2019-011. (Applicant: Ron Bartsch) (Planner: Peter Italiano for Greg McNally)

Peter Italiano, Community Development and Planning Director, presented the proposed amended plat, known as the First Amendment of Heron Creek Subdivision, Phases 1, 2, and 3 located east of Eames Lane and south of Kier Lane. He added the amended plat application is not ready for consideration by the Board of County Commissioners, as a regulatory mandated recommendation from the Consolidated City and County Planning Board was delayed due to a lack of quorum of members at the publicly noticed March 17, 2020 public hearing. Community Development and Planning staff will need to notice a new public hearing before the Planning Board and a new public meeting before the Commission for consideration of this item. Staff recommends no action on this item at this time.

No public comment was received.

A motion was made by Commissioner Hunthausen to table the item to the regular public meeting on May 7th. The motion was seconded by Commissioner McCormick. The motion passed on a 3-0 vote.

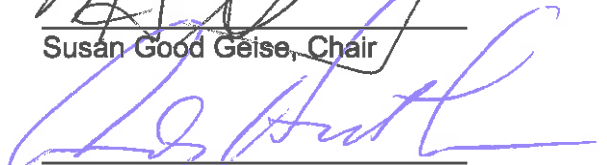

Public comment on any public matter within the jurisdiction of the Commission that is not on the agenda above.
