**PETITION TO CREATE A RURAL IMPROVEMENT DISTRICT  
FOR IMPROVEMENTS AND MAINTENANCE OF  
PUBLIC ACCESS EASEMENTS OF THE HAUSER LAKE HOMES CONDOMINIUMS**

**Exhibit A**

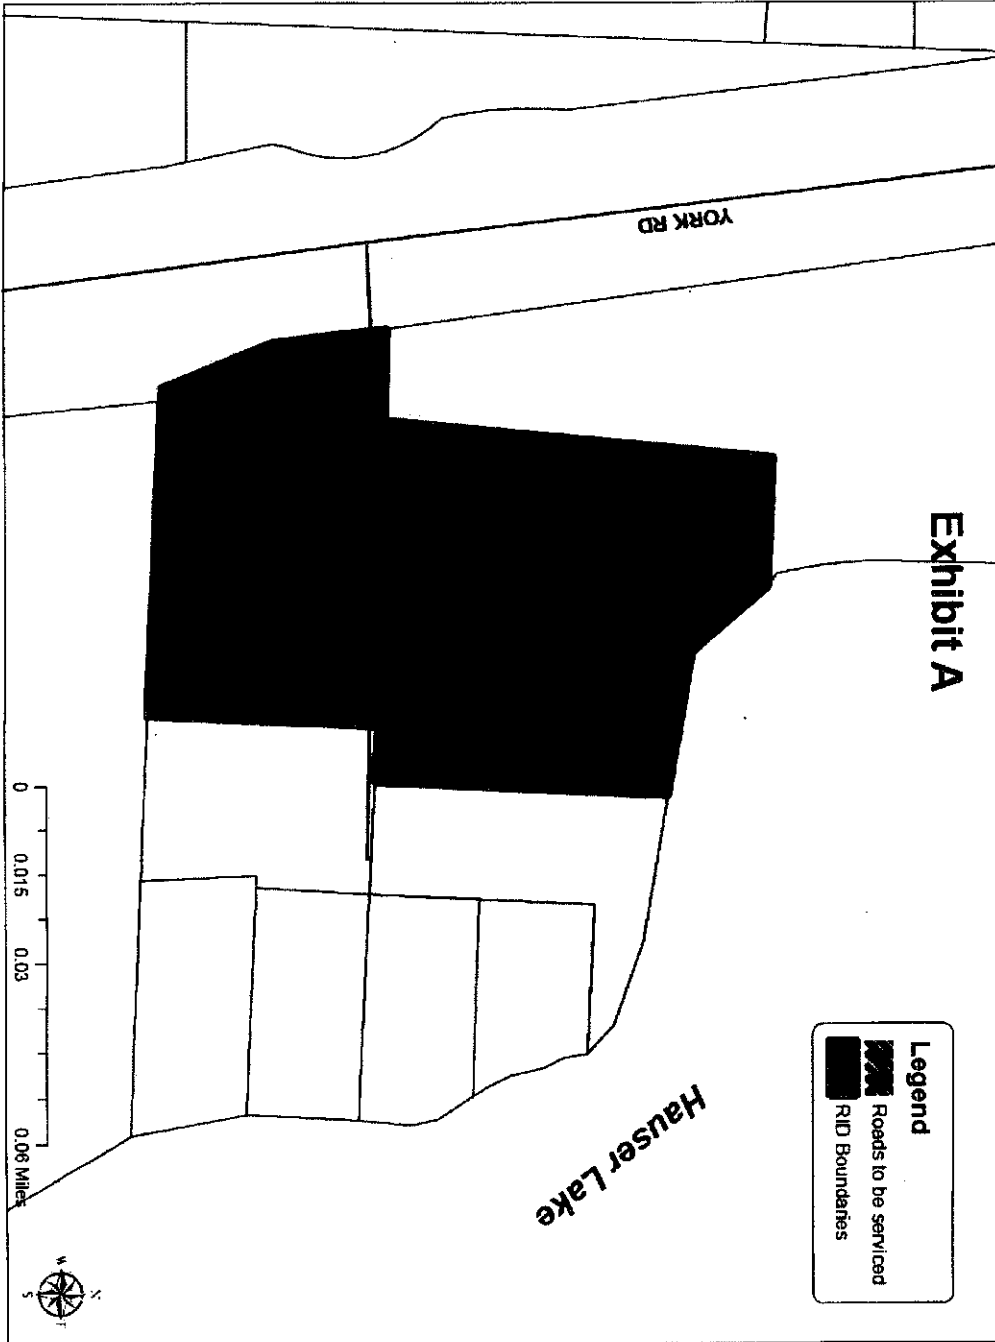

Exhibit B

**PETITION TO CREATE A RURAL IMPROVEMENT DISTRICT  
FOR IMPROVEMENTS AND MAINTENANCE OF  
PUBLIC ACCESS EASEMENTS OF THE HAUSER LAKE HOMES CONDOMINIUMS**

We the undersigned, owners of real property within the proposed Lakehome Condos Rural Improvement District, located in Section 27 of T11N, R2W, P.M.M., of Lewis and Clark County, do hereby petition the Board of County Commissioners to create a Rural Improvement District for the purpose of improving and maintaining public access easements of the Hauser Lake Homes condominiums, as authorized by MCA §7-12-2101, et. Seq. The boundaries of the proposed district are shown on the attached Exhibit A. The proposed improvement activities generally include an asphalt mat. The estimated annual cost for said improvements is \$1,680.17, for a period of fifteen years. The proposed maintenance activities could include fog sealing, crack sealing, snow plowing, sweeping, culvert cleaning, and other maintenance and repair as necessary to preserve the road surfaces. The estimated annual cost for said maintenance is \$983.31 per year.

All parcels within the proposed district would benefit and would be assessed using MCA §7-12-2151(1)(d) Each lot, tract, or parcel of land in the district may be assessed an equal amount based upon the total cost of the improvement.

A "lot, tract, or parcel" means:

- (1) Any tract of record or any portion of a tract of record (a "piece of land") within the boundaries of an improvement district; and
- (2) Any portion of a tract of record that is rented, leased, or otherwise conveyed within the boundaries of an improvement district; and
- (3) Each unit of a condominium or townhouse within the boundaries of an improvement district; and
- (4) Each part of a building or structure that is rented, leased, or otherwise conveyed, and within the boundaries of an improvement district.

A "benefited" lot, tract, or parcel means a lot, tract, or parcel as defined above that:

- (1) Abuts an improved right of way within the district, or
- (2) Has potential present or future access to an improved right of way within the district, or
- (3) Otherwise receives a benefit, such as dust abatement or flood control, from an improved right of way within the district, or
- (4) Accesses an improved right of way within the district.

The County will serve only to coordinate the necessary work, collect the assessments, and disburse payments for the district. It is anticipated that a private contractor would perform the maintenance.

This petition is being circulated in accordance with the Lewis and Clark County Rural Improvement District (RIDs) and Rural Maintenance Districts (RMDs) Policies and Procedures manual which is on file and available for inspection at the Lewis & Clark County Board of County Commissioners. Because of aggregation and subdivision of parcels, the actual number of parcels stated in the petition may change between the time the petition is circulated and the time the board considers the resolution of intention to create the RID, and therefore, the actual assessment per parcel may be greater than or less than the amount stated in the petition and the number of lots to be assessed will be set as of the date of the resolution of intention to create the RID.
