RE: Request to Property Assessment Division

To Whom It May Concern:

It has recently come to our attention that the Department of Revenue is now requiring a letter from the Board of County Commissioners in order to review retroactive tax valuations.

Please let this letter serve as our request that the Department provide the values for tax years 2011 and 2012 for the following taxpayer in Lewis and Clark County.

Michael E. & Susan M. Hughes

Tax Code: 45271

In addition, as your policy notes (3.4b), the County Commission has the authority to retroactively authorize refunds for up to five years. As you also know, the Department of Revenue is the entity charged with tracking tax information and is the only entity capable of reviewing tax information from the previous years. As such, please consider this letter as our request to process any and all retroactive tax valuations when requested by our designated representative.

Sincerely,

ichael A. Murray - Chair

### Greetings:

My firm represents Michael and Susan Hughes ("Hughes") regarding the valuation and taxation of the properties referenced above. Pursuant to § 15-16-603, MCA, the Hughes request property tax refunds for this property for tax years 2011 and 2012.

Improvements to this property became subject to property taxes in 2011. The Hughes paid property taxes in full based on the Department of Revenue's valuation of the improvements for tax years 2011 through 2013. In 2014, the Department identified and corrected several errors in the valuations of the improvements.

The Hughes separately submitted a refund request for 2013 after being contacted by the Consolidated Office of Treasurer/Clerk and Recorder. They now ask the Commission to also refund the excess taxes paid for the remaining years, 2011 and 2012.

We appreciate the Commission's consideration of this request. Please contact me if you have any questions.

Sincerely,

Wiley Barker
