**PETITION TO CREATE THE COUNTRYSIDE ROAD RURAL IMPROVEMENT DISTRICTS FOR IMPROVEMENT AND MAINTENANCE**

Petition Circulation Date: March 2, 2021

We the undersigned, owners of real property within the proposed Countryside Road Rural Improvement District (the "Proposed District"), located in Lewis and Clark County, Montana, do hereby petition the Board of County Commissioners to create the Proposed District for the purpose of improving and maintaining Countryside Road as authorized by MCA §7-12-2101, et. Seq.

A property owner list requiring at least 20% of the listed owners' signatures is attached as Exhibit "A", and the boundaries of the district are shown on the attached Exhibit "B".

Improvements to be funded by the Proposed District include gravel addition (crushed top surfacing and pit run), drainage remediation, application of magnesium chloride (dust control), and culvert installation. Financing of improvements is estimated to total \$123,378.35, and each benefited property is proposed to be levied a 15-year debt service assessment of \$234.45, annually. Maintenance activities funded by the Proposed District include annual grading, plowing and sanding, application of magnesium chloride, and miscellaneous items (such as gravel road repair, signs, culvert cleaning and installation, etc.) as needed. Funding of annual maintenance is estimated to total \$6,713.00, and each benefited property is proposed to be levied an ongoing maintenance assessment of \$137.00, annually. This annual maintenance assessment will be evaluated each year and adjusted for inflation or maintenance needs as necessary. Any change in the assessment rate will result in written legal notice and the opportunity for protest during public hearing. The combined annual improvement and maintenance assessment estimate for each benefited property is \$371.45. Once the improvement debt service is paid, the annual assessment will drop to the maintenance cost only. Costs for improvements and maintenance are detailed in the attached Exhibits "C" and "D", respectively. Estimated annual assessments and loan information are detailed in the attached Exhibit "E".

This petition is being circulated in accordance with the Lewis and Clark County Rural Improvement District Policies and Procedures manual which is available for inspection at the Community Development and Planning Department in Room 230 of the City-County Building, 316 North Park Avenue, Helena, Montana. Details, boundaries of the district, and benefited properties are ultimately the decision of the Board of County Commissioners. The details, boundaries, and benefited properties on this petition may be changed when resolutions establishing the district are considered, also resulting in increased or decreased estimated assessments. The final special assessment per lot may change due to a review of assessable lots by the Lewis and Clark County Property Tax Department.

It is anticipated the Proposed District would be administered by the County and the County will serve only to coordinate the necessary work, collect the assessments, and disburse payments for the district. It is anticipated a private contractor would perform the improvements and maintenance. Lewis and Clark County, by action of the Board in creating the Proposed District does not assume financial responsibility for the maintenance or improvement financed by the Proposed District.
