Items of Business:

Budget for 2020-2021 year – Foundation and Council are asking all superintendent try and figure out way to make the budget less negative – need to possibly discuss a project fee if expenses are upwards of \$300 without any income as funds are tight.

Fair Exhibitors handbook – Time to review each section to make sure everything is up to date and or make changes to project areas if needed. Please make sure to reply to Michelle by Jan 15 with changes or to let her know your section is good.

There have been a few requests to see the ambassadors more involved in county events so the youth are able to recognize them. Currently there are 2 in attendance at Foundation meetings, 1 in attendance at Youth Council meetings, and they are working to arrange schedules so there will be 1 in attendance at the Council meeting.

Workshops and County Guidelines – make sure that as you plan your workshops that the county health department guidelines are followed, encourage youth and adults alike so we are able to continue providing opportunities for our youth.

Please make sure to follow the BHB guidelines when utilizing the building. Keys are to be checked out from the Extension office and then turned in after the event. Keeping the BHB clean is part of using it, so make sure to clean up after your event, put things back where they were originally, and take the trash out.

Cade Duran, Megan Goroski, and Claire Downing are one of sixteen teams doing a national community service project – Backpacks for Foster Kids – collecting items to build backpacks of necessities to provide to local foster youth – reached out to Clubs with a challenge to provide tie blankets – winning club gets a pizza party – have been reaching out to businesses for donations – Tie Blankets can be dropped off at the Extension office.

Babysitting has a new curriculum that will be working with this year. Looking at doing the workshop in February, virtually.

Archery is most likely cancelled due to the restrictions and the large number of participants. Still trying to figure out a way to make Air Rifle work. There are some archery opportunity in the community for interested youth, will post in the newsletter. Invitational shoots around the state are being postponed or cancelled, a list of those is on the state 4-H website.
