RESOLUTION 2019-82

A RESOLUTION TO CREATE THE HARVEST ACRES MINOR ROAD RURAL IMPROVEMENT DISTRICT NO. 2019-01

WHEREAS, the Board of County Commissioners may order and create a rural improvement district upon the receipt of a petition to create a rural improvement district that contains the consent of all of the property to be included in the District, as per MCA 7-12-2102(2); and

WHEREAS, the attached letter, Exhibit "A", serving as the petition to create a rural improvement district, contains the signature of the sole owners of properties to be included within the District; and

WHEREAS, the subdivision applicant for the proposed Harvest Acres Minor Subdivision was granted preliminary approval on August 3, 2017; and

WHEREAS, the subdivision applicant has requested the creation of a rural improvement district to satisfy Condition of Approval No. 9 for the Harvest Acres Minor Subdivision; and

WHEREAS, the designated items set forth in MCA 7-12-2103(2) are as follows:

- (a) The designated number of the District is 2019-01.
- (b) The boundaries of the District are shown on Exhibit "B", which encompass the boundaries of the Harvest Acres Minor Subdivision and Tract 8-1-B as shown and described on Document No. 3138446 on file with the Lewis and Clark County Clerk and Recorder.
- (c) Maintenance.
 - i. The general character of maintenance of roadway, stormwater, and mailbox improvements includes, but is not limited to, snow plowing, grading, culvert cleaning, weed spraying, street signs, mailbox replacement, and detention pond maintenance, as detailed on Exhibit "C."
 - ii. Maintenance of roadway, stormwater, and mailbox for the preliminarily approved Harvest Acres Minor Subdivision are within the scope of service for the Harvest Acres Minor RID No. 2019-01.
- (d) The County Engineer, or his designee, is to have charge of the work. The estimated cost for funding said maintenance is \$2021.94 per year, as shown on Exhibit "C", or \$336.99 per parcel per year. All maintenance funds collected for the District will be spent solely on roadway, stormwater, and mailbox maintenance within the District.
- (e) The method by which the costs shall be assessed is described in MCA 7-12- 2151(d): "each lot, tract, or parcel of land in the district [will] be assessed an equal amount based upon the total cost of the [maintenance of improvements]."
- (f) Pursuant to MCA 7-12-2103(2)(f), "if an increase occurs in the number of benefitted lots, tracts, or parcels within the boundaries of the proposed district during the term of the bonded indebtedness, the assessment per lot, tract, or parcel then in the district will be recalculated as provided in MCA 7-21-2151(4)."

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners,

- 1. That it does hereby create the Harvest Acres Minor Road Rural Improvement District No. 2019-01 for the purpose of equitably funding road maintenance.
- 2. That pursuant to MCA 7-12-2108, the contemplated work is of more than local or ordinary public benefit, and that the expense of such work is chargeable upon the lots and land fronting upon proposed improvements and upon other lots and lands not fronting on the proposed improvements, which are the property benefited by said work and to be assessed to pay the cost and expense thereof.
- 3. That the Lewis and Clark County Public Works Department is authorized and responsible for coordinating maintenance as described on Exhibit "C" within the District boundary as shown on Exhibit "B".

Re: Harvest Acres Subdivision, Final Plat Requirements
Petition to create Rural Improvement District (RID)

Dear Matt:

According to the Lewis and Clark County GIS maps, Harvest Acres currently does not lie within any Special Improvement Districts. Condition of Approval #14 states: "In cooperation with the County, the Applicant shall createfoin a Rural Improvement District(s) and/or Special District(s) to address the maintenance, preservation, and repair of the following: access road across Tract 8-I-B (Doc. No. 3138446); internal access road within the Harvest Acres Subdivision; the fire protection improvements and maintenance for the Harvest Acres Subdivision; stormwater improvements and detention ponds for the Harvest Acres Subdivision; and all common areas/improvements within the Harvest Acres Subdivision."

We hereby petition Lewis and Clark County to create a Rural Improvement District for Harvest Acres including Lot 8-1-B COS #3138446 in accordance with MCA Title 7, Chapter 12, Part 21.

County policy requires signatures of 60% of the owners to form an RID or SID. We, Shawn and Cathy Toney are sole owners of the Harvest Acres Estates Subdivision property and Lot 8-1-B COS #3138446, therefore satisfying this requirement with our signatures hereto.
