IN THE 5 YEARS WE HAVE LIVED IN

OUR UNDERSTANDING THAT THE DEVELOPERS WERE TO  
RE-GRATE THE ROADS WITHIN THE DEVELOPMENT, &  
IN FACT A STOCK PILE OF GRAVEL IS ALREADY ON  
SITE.

RE: Hauser Lake Estates Rural Improvement District No. 2007-2

ATTN: Lewis & Clark County Commissioners

To Whom It May Concern:

I am writing in protest of the proposal to include my property (GEOCODE 199627310010000) in the Rural Improvement District for the Hauser Lake Estates Subdivision. I am aware that this Rural Improvement District was created prior to my purchasing the adjacent property but my property is not a part of the subdivision and I feel that I should not be responsible for the maintenance of the existing roads. I feel that landowners who purchase lots in a subdivision should be held responsible for the maintenance of the roads in that subdivision and not adjacent land owners.

My family purchased 251 acres of agricultural property and they have no intention to further subdivide this property. Tract A of Certificate of Survey 3207420 was through a Family Transfer in 2011. My approach is only approximately 300' from Deal Lane on Malibu Loop.

In the past 18 months I am not aware of any maintenance that has been done on Malibu Loop. I would appreciate your consideration, as I believe this should not be my responsibility.

Sincerely,

Carson Merkel
