

RESOLUTION 2004- 54

**A RESOLUTION TO CREATE RURAL IMPROVEMENT DISTRICT NO. 2004-3  
FOR THE PAVED PORTION OF MUNGER ROAD**

WHEREAS, a resolution of intention to create Rural Improvement District No. 2004-2 was adopted by the Board of County Commissioners on April 1, 2004, as Resolution 2004-45; and

WHEREAS legal notice of the passage of Resolution 2004-45 was mailed to property owners in the proposed district and printed in the local newspaper in accordance with the statutory requirements; and

WHEREAS, on April 27, 2004, the Board of County Commissioners held a public hearing and proceeded to hear all protests, comments, and other matters relating to the proposed district, and determined that the boundaries of the district benefit area and the method of assessment were equitable; and

WHEREAS, it was determined that there was not sufficient protest to bar proceedings; said protests constituting 0% of the cost of the proposed work.

NOW, THEREFORE, BE IT RESOLVED by the Lewis and Clark County Board of County Commissioners that it does hereby create the Munger Road Rural Improvement District No. 2004-3 for the purpose of equitably funding road improvements and maintenance for the paved portion of Munger Road.

BE IT FURTHER RESOLVED that said district will include those parcels of land abutting and/or accessing Munger Road and that the boundaries of the district are shown on Exhibit "A" and listed on Exhibit "B", attached hereto and made a part thereof. All lots within the district would benefit equally and would be assessed a flat fee for the improvements and maintenance.

BE IT FURTHER RESOLVED that the improvements include a chip-seal application to the paved portion of Munger Road.

BE IT FURTHER RESOLVED that the annual costs for said improvements are \$1,764.51 for a period of ten (10) years. Each lot shall benefit equally and shall be assessed \$36.76 annually for said improvements. All funds collected for the improvement district shall be spent solely for the road improvements within the proposed district.

BE IT FURTHER RESOLVED that the maintenance shall include contributions to a reserve account for future surface treatment (e.g. chipseal) and other maintenance and repair as necessary to preserve the road surfaces, and that such maintenance shall be administered by the County.

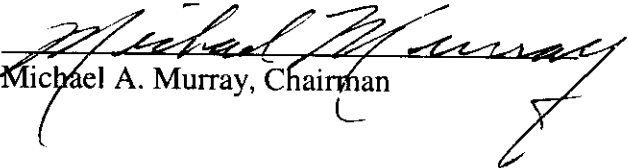

BE IT FURTHER RESOLVED that the annual costs for said maintenance are \$1,368.43. Each lot shall benefit equally and shall be assessed \$28.51 annually for said maintenance. All funds collected for the maintenance district shall be spent solely for the road maintenance activities on the paved portion of Munger Road.

BE IT FURTHER RESOLVED that the maintenance district shall remain in effect in perpetuity or until such action by the Board of County Commissioners otherwise dissolves the district.

DATED this 27 day of April, 2004.
