

RESOLUTION 1997 - 14

**A RESOLUTION TO CREATE A RURAL IMPROVEMENT DISTRICT
FOR MAINTENANCE OF THE ROADS WITHIN
THE PLEASANT VALLEY SUBDIVISION**

WHEREAS, a resolution of intent to create Rural Improvement District No. 97-1 as adopted by the Board of County Commissioners on January 7, 1997, as Resolution 1997-1; and

WHEREAS, legal notice of the passage of Resolution 1997-1 was posted in the proposed district, mailed to property owners in the proposed district, and printed in the local newspaper in accordance with the statutory requirements; and

WHEREAS, on January 28 and 29, 1997, the Board of County Commissioners held public hearings and proceeded to hear all protests, comments, and other matters relating to the proposed district, and determined that the boundaries of the district benefit area and the method of assessment were equitable; and

WHEREAS, it was determined that there was not sufficient protest to bar proceedings; said protests constituting 44.03% of the cost of the proposed work.

NOW, THEREFORE, BE IT RESOLVED by the Lewis and Clark County Board of County Commissioners that it does hereby create Rural Improvement District No. 97-1, for the purpose of maintaining Karmen Road, Kelly Road, Kiki Drive, Kim Drive, Kitt Drive, Kismet Drive, Karla Drive and Kandy Drive. The district shall remain in effect in perpetuity or until such action by the Board of County Commissioners otherwise dissolves the district.

BE IT FURTHER RESOLVED that said district will include those parcels of land abutting and/or accessing the above roads as identified on Exhibits "A" and "C", attached hereto and made a part hereof. All properties would benefit equally and would be assessed for the maintenance. A property would be defined as a single parcel of record or a group of contiguous record parcels in single ownership and operated as a single parcel.

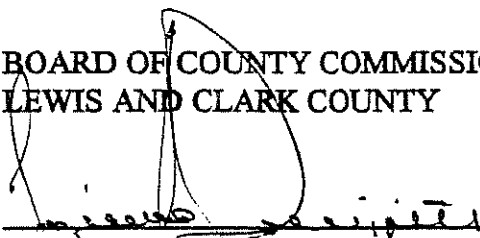

BE IT FURTHER RESOLVED that the proposed maintenance could include crack sealing, pavement patching, resurfacing, snow plowing, sanding, sweeping, drainage control, street identification and traffic control signing, and other maintenance and repair as necessary to preserve the road surfaces, and that such maintenance shall be administered by the County, unless an agreement is entered into between the County and a representative body of the landowners within the District.

BE IT FURTHER RESOLVED that the estimated annual costs for said maintenance is approximately \$125 per property, as shown on the ten-year schedule of maintenance activities attached as Exhibit "B". The annual assessment for each property shall be split into two equal assessments on the property tax bill. All funds collected for the district shall be spent solely for the road improvement and maintenance activities within the proposed district.

BE IT FURTHER RESOLVED that the County will assist in the creation of a homeowner's association to provide input to the County Public Works Department for the purpose of administering the District.

DATED this 13th day of February, 1997.
