

**A RESOLUTION TO CREATE A RURAL IMPROVEMENT DISTRICT
FOR MAINTENANCE OF THE ROADS WITHIN THE
TEN MILE CREEK ESTATES SUBDIVISION**

WHEREAS, a resolution of intent to create Rural Improvement District No. 97-2 as adopted by the Board of County Commissioners on April 3, 1997, as Resolution 1997-45; and

WHEREAS, legal notice of the passage of Resolution 1997-45 was posted in the proposed district, mailed to property owners in the proposed district, and printed in the local newspaper in accordance with the statutory requirements; and

WHEREAS, on April 29, 1997, the Board of County Commissioners held public hearings and proceeded to hear all protests, comments, and other matters relating to the proposed district; and

WHEREAS, it was determined that there was not sufficient protest to bar proceedings; said protests constituting 1.32% of the cost of the proposed work; and

WHEREAS, on May 1, 1997, the Board of County Commissioners convened and determined that the boundaries of the district benefit area and the method of assessment were equitable.

NOW, THEREFORE, BE IT RESOLVED by the Lewis and Clark County Board of County Commissioners that it does hereby create Rural Improvement District No. 97-2, for the purpose of maintaining the roads within the Ten Mile Creek Estates Subdivision. The district shall remain in effect in perpetuity or until such action by the Board of County Commissioners otherwise dissolves the district.

BE IT FURTHER RESOLVED that said district will include those parcels of land abutting and/or accessing the above roads as identified on Exhibits "A" and "C", attached hereto and made a part hereof. All lots would benefit equally and would be assessed a flat fee for funding of the maintenance.

BE IT FURTHER RESOLVED that the proposed maintenance could include crack sealing, pavement patching, resurfacing, snow plowing, sanding, sweeping, drainage control, street identification and traffic control signing, and other maintenance and repair as necessary to preserve the road surfaces, and that such maintenance shall be administered by the County, unless an agreement is entered into between the County and a representative body of the landowners within the District.

BE IT FURTHER RESOLVED that the estimated annual costs for said maintenance is approximately \$140 per property, as shown on the ten-year schedule of maintenance activities attached as Exhibit "B". All funds collected for the district shall be spent solely for the road improvement and maintenance activities within the proposed district.

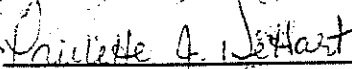

DATED this 1ST day of May, 1997.
