All candidates, regardless of political party, appear on one ballot. The four candidates receiving the most votes advance to the general election. A candidate may list a political party preference, but a candidate isn't required to be nominated by a political party. A candidate's political party preference isn't an endorsement by the political party. The legislature may require candidates gather signatures up to five percent of the votes received by the winning candidate in the last election to appear on the ballot. All voters may vote for one candidate for each covered office.
