Jessica,

I am the owner of 3851 Pioneer Park Drive here in Helena and we talked about the possibility of dissolving the Tilly Court RID, 2011-2 earlier today on the phone. I reached out to Nick Hamiln and Rick the owners of the other two properties on the Tilly Court hammerhead and they both agree with dissolving the RID. We also don't care if the balance in the RID account is turned over to the general fund.

Is there some form i need to have them sign and return to you for this to be dissolved?

If so, please email it to me and I will get their signatures on the form and return it to you.

Thanks for your help
