# Auchard Creek School 0498 ESSER ARP Plan

Last updated: 12/10/2023

#### Q1.

### Montana School District ARP ESSER Plan Update

This tool allows districts to update their ARP ESSER plans at any point. Updates must be completed at least once every six months.

#### Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

- 1. use funds to implement prevention and mitigation strategies;
- 2. use the funds totaling not less than 20% to address lost instructional time;
- 3. spend its remaining 80% of ARP ESSER funds;
- 4. respond to needs of student disproportionately affected by the pandemic; and
- 5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and iii. identify, reengage, and support students who have experienced the impact of lost instructional time. The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

#### State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

Initial ARP-ESSER plans were developed through the use of a template. This plan update tool will provide districts with their most recent plan submission presented with the same fields and sections as their initial plan.

The sections of this tool match the sections of the template provided for districts to use for the creation of their plans.

The template sections are as follows:

- 1. School District-Identified Priorities
- 2. Meaningful Consultation
- 3. Goals
- 4. Coordinating Funds
- 5. Creating Safe and Healthy Learning Environment
- 6. Addressing Lost Instructional Time
- 7. Supporting the Educator Workforce
- 8. Monitoring and Measuring Impact of ARP ESSER funds

#### Prior to updating your school district ARP ESSER plan, consider the following:

What data do you have available to you to measure the impact of your work and guide plan adjustments? What feedback have you received from stakeholders around your plan and/or your plan implementation? What steps have you taken to engage stakeholders in your update process?

#### Instructions for updating your school district ARP ESSER plan

- Review the information in each field to verify that it matches the information you have at the local level. In the event that there is a difference please update any impacted fields during your update process.
- It is recommended that you complete your plan revision in a single sitting. If you are unable to do this please click through to the end of the survey and note on the final page that this submission represents an unfinished update draft.
- After you hit submit you will receive an email that contains a link that you can use for your next update. If you were submitting a draft update please be sure to return to complete your draft before the deadline.

**PDF** 

## Resources to help with completing your plan

- Curriculum Selection
- Acceleration Guidance
- ESSA Tiers of Evidence
- Gap Analysis Tool

<ul> <li>U.S. Department of Education FAQ - ESSER/GEERS</li> <li>FAQ's of Maintenance of Equity Requirements</li> <li>Montana Office of Public Instruction ESSER website</li> <li>SEL Priorities</li> </ul>
Next Steps:  • When you submit your update you will receive a confirmation email that contains a link to access a F of your plan submission and a link to complete your next update.
Q73. Please review the information in these fields and verify that it reflects the submission of this update.
Q5. Please choose your county and district from the dropdown.
County Lewis & Clark >  District Auchard Creek Elem, LE0498 >
Q6. Who is the Authorized Representative submitting this form?
Katrina Chaney
Q11. Please indicate your role in the district.
District-level Administrator
○ Principal
Other (Please identify your role in the box below.)
Q9. What is your AR email as shown in Egrants?
kchaney@lccountymt.gov

Q8. What is your school district phone number?

	Describe the stakeholder consultation that was completed to inform this update. Include dates, ns, and links where relevant.
Colo	ny members, parents, trustees, and school employees
	Please write a summary statement describing this update. Example: "This submission reflects our first of our plan in November of 2021"
This	submission reflects our update from the November 2021 plan
Q30. 1	School District-Identified Priorities
studer	Please provide the top priorities the school district has determined as the most pressing needs for its and schools within the school district as a result or in response to the COVID-19 pandemic. You may etween 1-3 priorities by checking the box and providing the text response.
E k	ncourage an overall healthier nvironment. The district wishes to uild a facility for the students to ncrease health enhancement/ physical ducation.
F 1 1	riority 2  rovide students a variety of esources to elp lessen the gap between desired eading level and actual reading evel, especially for the 1st and 3rd raders.
	riority 3

406-447-8344

*Q34.* When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

	Please indicate which of the following student groups specifically referenced in ARP ESSER were more ted than others in your district. Choose all that apply.
<b>✓</b>	Economically Disadvantaged (Free and Reduced Lunch)
<b>✓</b>	White
	Black or African American
	American Indian or Alaska Native
	Multi-Racial
	Migrant
	Homeless
	Foster Youth
	Children with Disabilities
	Male
	Female
<b>✓</b>	English Language Learners
	Other (please identify in the box below)
041	2. Meaningful Consultation
₹ .=.	
	ARP ESSER requires school districts to consult with a wide variety of stakeholders when developing a
plan.	Please select all of the following groups of stakeholders your district consulted and/or plans to consult.
<b>✓</b>	Parents
	Students
<b>✓</b>	Teachers
<b>✓</b>	Staff
	Tribal governments
	Local bargaining units
	Educational advocacy organizations
	County health departments
<b>✓</b>	Community members
	Other (please identify in the box below)

Survey

Q26. What method(s) did you use to seek stakeholder input? Choose all that apply.

Webinars
✓ Public meetings
Website
☐ Media
Social media
Email
Other (please identify in the box below)

#### Q72. 3. Goals

#### 071.

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

#### Math Goal

Students will be encouraged to strive to stay on grade level with their math skills and knowledge for all grades K -8th.

The increased expectation for student/teachers, low students to teacher ratios, together with experienced, consistent, and dedicated teachers has resulted in students' achievement rising over the last three years. 100% of the students in grades 1-8 performed at 85 % accuracy or higher on measured assessments through Saxon Math at the end of Spring 2022. All students within the district will continue to improve their math scores

#### ELA Goal

All third graders behind desired reading level. The district will strive to close that gap by at least a half year, by the end of the current school year.

This is a small school with 100% LEP population for incoming students. The district has been able to maintain a low teacher/student ratio that has provided one-on-one and small group instruction to meet the individual needs of its students. The teachers have held high expectations for students learning in their school and the school and the community has been more engaged in supporting these expectations. 100% of the students in grades 1-8 performed at 85% accuracy or higher on measured assessments through McGraw Hill Wonders or Holt Elements of Literature at the end of Spring 2022 The district goal for ELA is that students will continue to improve their scores.

✓ Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.)

	Graduation ratestudents only atttend through grade 8, in this colony school system. The goal is all students will complete K -8th.
Identi Desci Identi	Action Plan, Part 2: ify what strategies/action steps will be used to support the achievement of the goals. ribe a realistic and achievable timeline to achieve the goals. ify who is responsible to ensure the strategies/action steps are achieved. the box and provide the text response for each applicable box.
	Math Goal Strategies, Actions, Timelines, and Assignments
	All students (13) are doing well in mathematics. This is district goal, as well as a colony/community goal. Parents and educator will continue to provide a rich curriculum and extra time each day towards helping all students stay on grade level in mathematics.
<b>✓</b>	ELA Goal Strategies, Actions, Timelines, and Assignments
	Students will continue to be provided a research-based curriculum. Teacher will use Dibels, the assessments in the book, MAPS and accelerated reader to increase interest/ increase in reading scores.

✓ Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.) Strategies, Actions, Timelines, and Assignments

	Professional Developmenteducator will continue professional development in the mental health field, as he serves as the counselor for the school, as well.
Q14.	For which of the following student groups do you have a distinct Math goal? Choose all that apply.
	American Indian or Alaska Native
	Black or African American
	Hispanic
	MultiRacial
	White
	Free and Reduced Lunch
	Homeless
	Students with Disabilities
<b>✓</b>	None
-	For which of the following student groups do you have a distinct English Language Arts (ELA) goal? ose all that apply.  American Indian or Alaska Native Black or African American Hispanic MultiRacial White Free and Reduced Lunch Homeless Students with Disabilities None
	For which of the following student groups do you have a distinct goal other than Math or ELA? Choose at apply.  American Indian or Alaska Native
	Black or African American

☐ Hispanic
☐ MultiRacial
☐ White
Free and Reduced Lunch
☐ Homeless
Students with Disabilities
✓ None
Q15. Describe your Math goal for each identified student group.
Same as previously stated
Q16. Describe your ELA goal for each identified student group.
Same as previously state
Q65. Describe your Other goal for each identified student group.
Same as previously state
Q67. If you are planning to develop or use approaches that are novel to achieve your Math, ELA, or other goal, would you be willing to have the OPI share your approaches with state and federal entities? If so,
please briefly describe your innovation below.
No thank you

# Q56. **4. Coordinating Funds**Identify other federal funding that you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

Q60.	Did you coordinate ARP ESSER funds with other federal funds to address student needs?
$\bigcirc$	Yes
<u> </u>	
_	Please select each type of federal funding you are coordinating with ARP ESSER funds to most tively use funds to address student needs.
This	question was not displayed to the respondent.
Q46.	5. Creating Safe and Healthy Learning Environments
	rmine if ARP funds will be used to <b>implement prevention and mitigation strategies</b> , to the greatest at practicable, in order to continuously operate schools for in-person learning.
-	If you are planning to use ARP ESSER funds for prevention and/or mitigation strategies, please select vidence-based practices below and/or describe an additional practice in the Other box.
	Mental health supports
	Social emotional learning
<b>✓</b>	Academic support
<b>✓</b>	Extended learning/enrichment
	Hiring new staff and avoiding layoffs
	Meeting the nutritional needs of underserved students.
	Locating absent students and re-engaging disconnected youth
<b>✓</b>	Providing safe, healthy, inclusive learning environments.
	Activities to address the unique needs of at-risk populations.
	Developing and implementing procedures and systems to improve the preparedness and response efforts
_	Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases
	Purchasing supplies to sanitize and clean the facilities
	Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.

Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.

✓	School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
	Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement
	Other (please identify in the box below)
strate	If you are planning to develop or use approaches that are novel to implement prevention and mitigation egies, would you be willing to have the OPI share your approaches with state and federal entities? If so, see briefly describe your innovation below.
No	thank you
Q47.	6. Addressing Lost Instructional Time
Act to distri intervente expe	cribe how the school district will use ARP ESSER funds it reserves under Section 2001(e)(1) of the ARP o address lost instruction time through the implementation of evidence-based interventions. The ct must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based ventions should be considered including personnel, materials, equipment, professional development, and chose needed to meet the needs of students. Other evidenced-based practices may be utilized if the vention meets one of the four tiers of evidence. Evidence-based practices may be found at OPI's Multised Systems of Support page.
	How do you plan to spend the required 20% set-aside to address lost instructional time? Choose all ence-based practices that apply.
	Extended learning time
	Tribal/community engagement
	Wraparound academic/health/social services
	SEL learning supports
<b>✓</b>	Evidenced-based curriculum
<b>~</b>	Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.
	Accelerating learning through instructional approaches: Tutoring program-High-dosage tutoring provided consistently by well-trained tutors or educators at least 3 days per week for at least 30 minutes at a time in groups of five or fewer students.
	Accelerating learning through instructional approaches:Out-of-school time programs-Identified students, needing additional support before, and after the regular school days, as well as on weekends, and during school breaks.
	Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or community service that provide high-quality instructional and are designed to meet the social and emotional needs of student through engaging and enriching experiences.

Access to and effective use of technology

	Engaging families in digital learning training and effectively using technology and platforms
<b>✓</b>	Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction
	Providing information and assistance to parents and families on how they can effectively support students
<b>✓</b>	Tracking student attendance and improving student engagement provided by the school
<b>✓</b>	Using data about students opportunity to learn indicators to help target resources and support
	Professional Learning Communities
	Access to advanced coursework, dual enrollment, work-place learning, and/or internships
	Career, Technical, and Agricultural Education expenses (approved under Perkins Act)
	Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs
rep	Other (please identify in the box below)  How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, aring for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ER Fact Sheet for more information. Choose all evidence-based practices that apply.
<b>✓</b>	Extended learning time

	Other (please identify in the box below)
ou l	If you are planning to develop or use approaches that are novel to address lost instructional time, would be willing to have the OPI share your approaches with state and federal entities? If so, please briefly ribe your innovation below.

## Q49. 7. Supporting the Educator Workforce

Determine if ARP funds will be used to support and stabilize the educator workforce consistent with Section 2001 (e) (2) of the ARP Act.

Q51. How do you plan to use ARP funds to support and stabilize the educator workforce? Choose all that apply.

	Cover costs of offsetting the need to furlough or reduce the salaries of school-based staff
·	Cover costs of bonuses for recruiting and retaining educators and support personnel
·	Additional pay for additional work
	Class-size reduction
	Technology to support learning: enable students to learn anywhere and teachers to teach essential standards
	Additional professional development for school leaders, teachers, and staff (trainings, extended professional development days, programs, etc.)
	Staffing additional physical and mental health support staff (counselors, social workers)
	Other (please identify in the box below)
	8. ase provide the estimated number of jobs (FTEs) that have been or will be <b>created</b> by the school district bugh the district's planned use of ESSER III Funds.
0	
	ase provide the estimated number of jobs (FTEs) that have been or will be <b>retained</b> by the LEA through LEA's planned use of ESSER III Funds.
wor	9. If you are planning to develop or use approaches that are novel to support and stabilize the educator rkforce, would you be willing to have the OPI share your approaches with state and federal entities? If so, ase briefly describe your innovation below.
N	Jo, thank you
Q52	2. 8. Monitoring and Measuring Impact of ARP ESSER funds
but	3. How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental alth needs of all students, and particularly those students disproportionately impacted?
C	Continue to monitor students emotional needs, academic needs and with ESSER funds provide even more physical education choices and time.

Q23. Ple	ase indicate the type of data you are obtaining and using to monitor outcomes.
☐ Early	Warning System
Interi	m Formative Assessment
